

Custom Glass SHOWER ENCLOSURES

By Glass Canada Limited

SOPHISTICATED

TRENDY

MODERN

We create

Designer Bathrooms for you

DESIGN | MEASURE | BUILD | INSTALL

With the trend of creating designer bathrooms that double as a spa-like haven for relaxation, Glass Canada welcomes the opportunity to introduce you to a portfolio of glass shower ideas to spark your renovation imagination.

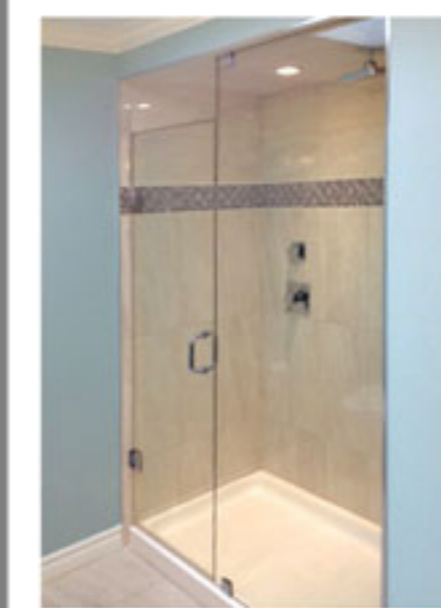

- ✓ ASSISTING you in the design of your glass shower with our knowledgeable staff and our variety of glass, styles and hardware options is our first priority.
- ✓ MEASUREMENTS. Let us help you start off your project on the right foot.
- ✓ INSTALLATION. Done only by experienced

installers that take care to the finest detail.

- ✓ Our products are manufactured in North America, hence their excellent quality.
- ✓ Glass showers increase the value of your home.
